A new Lock, Stock & Barrel is now open in Business Bay

fact.

Fact Team · August 30, 2023

A big winner at last years FACT Dining Awards Dubai in the 'bar' category, popular nightlife concept Lock, Stock & Barrel has opened a third UAE venue in Dubai's Business Bay District.

Lock, Stock & Barrel Business Bay follows the success of the Barsha Heights and JBR locations for the popular party bar, known for live music, delicious food and fun vibes.

The new social hangout can be found in Grand Millennium Hotel Business Bay, which will soon be home to another Solutions Leisure concept, *Asia Asia*.

Co-Founder and CEO of Solutions Leisure, Paul Evans, said, "The beauty of operating our business in this region is that we get to continuously work with those we trust and succeed with. Our exceptional long-term partnership with the team at RTS Investments Group has seen our first venture, Lock, Stock & Barrel Barsha Heights, exceed all expectations. With the invitation to open not one, but two additional venues in the Grand Millennium Business Bay property, we are excited to enter this new opportunity of growth with such inspiring, supportive industry leaders and bring the UAE more of what they love."

And you can score a banging Lock, Stock & LOADED deal to celebrate

By Times Out Editors · September 6, 2023

Lock, Stock & Barrel is no stranger to the Dubai party bar scene, and it's doubling (actually, tripling) down with a third venue in Business Bay.

Rocking up at the Grand Millennium Hotel, the latest edition of the popular bar builds on the success of its sister venues at Rixos Premium JBR as well as the Grand Millennium Hotel in Barsha Heights.

Lock, Stock & Barrel, together with uncle Jack and his clan of Tennessee whiskey drinkers, are once again on the hunt for the UAE's most hip thing to do in music.

Battle of the Bands is back for five preliminary heats of guitar shredding, headbanging, rock-jumping, drum thrashing competition – putting aspiring artists plectrum-to-plectrum for a chance to reach the grand final. The prize for the ultimate winner? A one-day cash sum of Dhs35,000.

And that should be precisely the correct path of music to follow the school (and how your 10th grader back from the game should find the band trip to Japan or any number of other reasons Hollywood (and the cast of Pulp Fiction) has taught us that Battle of the Bands competitions exist.
